NLC Prescription Discount Card Program

The NLC Prescription Discount Card program is designed for NLC member cities to help their residents who are without health insurance or have limited prescription coverage. By using the city-sponsored discount card, residents can save an average of 20% off the full retail cost of prescription medication. The program is administered for NLC by CVS Caremark and includes

nearly 60,000 participating pharmacies nationwide, including all major chains and most local pharmacies. To identify pharmacies in your city that participate in the program, go to: www.caremark.com/nlc and see: Quick Links - Locate a Pharmacy.

There is no cost for a city to participate in the program. The role of the city is to promote the program through the local media and the city web site, and to make the prescription discount cards available at locations throughout the city to those residents who might benefit from the program. Caremark provides the city with marketing materials (press releases, sample web page, etc) as well as providing the city with customized prescription discount cards with the city name and logo. The discount card includes a toll-free customer support phone number for residents to call if they have questions about the program.

Each month, after the program is implemented, participating cities receive a report from NLC with aggregate data on the total number of residents who used the city's discount card and the total and average savings to residents so that the city can see how the program directly benefits its residents.

Rules for Speakers

The Mayor and City Council invite and welcome comments at public meetings. The Mayor or presiding officer will recognize you. Please introduce yourself at the podium (spelling your last name, for recording purposes) and give the name of your street and block number (e.g., 4300 block of 34th St.). Time limits for speaking are indicated on the meeting agenda.

While speaking, please maintain a courteous tone and avoid personal attacks.

If you wish to lodge a complaint about the performance or conduct of any City employee, please bring your concern to the attention of the City Manager, who will look into the matter and respond to you.

As a courtesy to other residents and businesses, the Council requests that speakers not use specific addresses or names of individuals when describing a situation or making a complaint. Noting the block is preferred over a specific address.

Code enforcement and public safety issues should first be brought to the attention of the appropriate department and/or one of your Council members.

Please Note: *Pursuant to the Annotated Code of Maryland, State Government Article Section 10-508(a), the Council by majority vote may retire to executive or closed session at any time during the meeting. Should the Council retire to executive or closed session, the chair will announce the reasons and a report will be issued at a future meeting disclosing the reasons for such session.*
