Re: Public Information Act request dated February 21, 2019

Dear Ms. Alexander:

The City of Mount Rainier ("City") has received your letter dated February 21, 2019, asking several questions regarding employee attrition rates since May 2016. As the Freedom of Information Act does not apply to the City, I have deemed your letter to be a request under the Maryland Public Information Act (PIA). Your letter, however, does not request any records, and the PIA does not require the City to answer questions.

If you consider any part of your request to have been improperly denied, you are hereby informed that you may pursue judicial review of the denial under *Md. Code Ann.*, GP §4-362. You may also refer any concerns about this decision to the Public Access Ombudsman.

Very truly yours,

A handwritten signature in blue ink that reads 'Kenneth Sigman'.
