MEMORANDUM

To: See Distribution List

From: Kourosch Kamali, City Manager

Date: August 9, 2024

Subject: Green Purchasing Policy Reminder

Please review the Green Purchasing Policy, which the Mayor Council passed at its regular meeting on May 1, 2012. This policy was adopted as one of the required action items to become a certified community under the Sustained Maryland Certified requirements. Many of the requirements delineated in the policy, the City of Mount Rainier has already had in place for a number of years. However, the adoption of the policy is the city's formal green policy for all purchasing. This memo is a reminder to all about the Green Purchasing Policy.

Please ensure that all of your staff are aware of this policy and that they follow it to the letter. The Policy and this memorandum will be posted on the city's website at www.mountrainiermd.org as well. Thank you for your cooperation and adherence to this policy.
