**CITY OF MOUNT RAINIER, MARYLAND
ORDINANCE NO. 01-2021**

Introduced by: Councilmember Bryan Knedler

**Amending Section 11-110 To Eliminate The Requirement of An Appointment in
December, January & February for Yard Waste**

Whereas, the City Code of the City of Mount Rainier requires that in the months of December, January, and February an appointment is required to have yard waste picked up by the Public Works staff;

Whereas, the Public Works staff of the City of Mount Rainier for many years has picked up yard waste on the second Monday in December, January, and February notwithstanding the City Code;

Whereas, the Public Works staff prefers the automatic pickups on the second Mondays of December, January, and February;

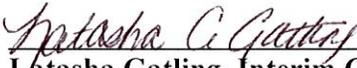

Therefore be it ordained that **Section 11-110** be revised to eliminate the requirement of an appointment in December, January, and February as follows:

11-110. Yard Waste Collection

Schedule. Biodegradable yard waste will be picked up from single-family and multi-family dwelling units every Monday from March through November (~~without prior appointment~~) and the second Monday in December, January and February. ~~by prior appointment only. In December, January, and February appointments must be made by noon on the Friday prior to the scheduled collection day. Appointments may be canceled over the weekend.~~ (Ord 31-97, 12/16/97).
