Description of Work (attach work list) _____

PERMIT INFORMATION AND COMPLIANCE

1. Dumpsters cannot be used for the disposal of regular household trash, refuse, or garbage. Dumpsters shall be restricted to the storing, collecting and hauling of construction, renovation, demolition and excavation debris and refuse.
2. No construction dumpster permit will be issued until all required City building demolition or other permits or licenses have been issued and all permit conditions have been met.
3. Construction dumpster permits are valid for a period of up to six (6) months. No more than (2) construction dumpsters are permitted on a single property or construction site at the same time without the express authorization of the City Manager or Code Enforcement Director.
4. All permits must be displayed in the window of the home/business that the work is being carried out for compliance.
