Mount Rainier, MD – In response to the evolving conditions related to the threat of COVID-19 and to ensure the safety of the public and of our employees, The City of Mount Rainier Department of Public Works (DPW) will close beginning Monday, May 4, 2020 until Friday, May 15, 2020.

During this time, regular yard waste, trash and recycling will continue as scheduled. For the next two weeks, Bates Trucking and Trash has been contracted to continue our waste collections until the Department of Public Works is ready to be reopened. We ask for your patience and understanding until this situation passes and we can return to some sort of normalcy.

As the situation continues to evolve, the City will update the public as necessary. Please visit the City's website (www.mountrainiermd.org) and follow the City's social media platforms (Facebook and Instagram) for the latest and most up-to-date City news and information.
