CURRENT STATUS OF THE CITY OF MOUNT RAINIER CODE COMPLIANCE DIVISION

Due to social distancing requirements established in response to the COVID-19 pandemic. The Code Compliance Division is now performing essential operations only. This mandate was put in place to keep City residents and employees safe. As a result, all interior property maintenance inspections have been temporarily placed on hold. Notices of Violation are still being issued by mail in response to complaints, and exterior inspections from street views only. The initial Notices of Violations are merely warnings, educating the residents of a possible violation of the City Ordinances. Code has instituted a light-handed approach during this pandemic. The violations that are being addressed at this time include but are not limited to the following:

- Excessive trash, debris, and grass;
- Unpermitted construction;
- Unpermitted dumpsters;
- Unpermitted tree cutting, or pruning; and
- Complaints from residents handled on a case-by-case basis.

We are still processing business licenses, and permits by email. The processing can be completed by calling our Permit Technician, Alma Ferruffino at (301) 458-5103.

Please stay safe!
