Beginning **three years** following the implementation date (**09/28/2018**), residents may have up to three (3) **city-provided** trash containers. The City will provide one city-provided trash container at no cost to the resident. Additional city-provided trash containers may be purchased from the City at 100% of the cost of the container.

Waste receptacles must be placed on the curb after 7:00 PM the day before waste collection and no later than 7:00 AM the day of collection.
